  - 12:00–17:00 : All attendees

### Demonstration Devices

**WEB™**

Intrasaccular Device

**FRED™ X**

Flow Diverters

**LVIS™ EVO™**

Coil Assist Stents

### Hands-on Session Format

- Each participant performs an individual Hands-on session using the silicone vessel model with a magnifier and monitor for real-time visualization.
- The session takes about 15 minutes per person, including a brief product introduction and model explanation.
- The 10:50–12:00 session is instructor-led for International Education Trainees, while the 12:00–17:00 period is open for all participation freely.

### Hands-on 체험 방식

- 참가자는 실리콘 모델과 확대경·모니터를 활용해 1인 Hands-on 체험을 진행합니다.
- 제품 소개 및 실리콘 모델 설명 후 진행하며, 인당 약 15분 정도 소요됩니다.
- 10:50-12:00은 International Education Trainees 대상으로 Instructor 지도하에 진행되며, 12:00-17:00은 모든 참가자들이 자유롭게 체험이 가능합니다.
